Hereford Cathedral and the Mappa Mundi Trust

LIBRARIAN

£23,500–£25,000 depending on qualifications and experience

We are seeking a Librarian with a passionate commitment both for the care and conservation of the historic treasures in our charge and for providing good access to these treasures and the modern collections for a broad spectrum of people. You will have experience of working with rare books and an imaginative and creative approach to interpretation and accessibility.

The librarian is a member of a dedicated team working within the Mappa Mundi and Chained Library Exhibition, providing service, information and interpretation to visitors and enquirers, both scholars and the general public, from around the world. The librarian currently oversees the day to day life of the exhibition as well as its intellectual content, and is a key person in delivery of the education work of the Cathedral. We look to the librarian to develop the potential of the modern theological library to be a significant part of regional theological resources.
